MILL VALLEY GRIST MILL

5129

(PLEASE read quickly but conversationally.)

Are you looking for an interesting and unique place to dine? Then come to the MILL VALLEY GRIST MILL where mouth-watering but low priced dinners are served in an atmosphere ~~of~~ remeniscent of pioneer days and, in keeping with that atmosphere, the food is home-cooked and plentiful.

Candle lighted tables in the large pine-panneled main room are grouped about the polished mill equipment which was actually used during the days following the Revolution. The Grist Mill is one of the oldest buildings in this area and attached to it is a very interesting little gift shop that contains many antiques. The mill was restored only a year ago.

In the mood for a DIFFERENT experience? Then come on, join us at the MILL VALLEY GRIST MILL where wonderful food, an interesting antique shop, and a unique atmosphere will provide an evening that's full of fun! (The Grist Mill is located only one mile south of the Amherst College campus on the road to Mt. Holyoke.)
